Strengths of company	Aureole Business Components & Devices Inc. (ABCD) was established in 2001 as a wholly owned subsidiary of Mitani Sangyo Co., Ltd. Initially, the company mainly focused on resin casting molds and assembly of component parts, and started production of automobile parts in 2003. In 2007, a second factory was established in Hai Duong Province, marking the success of setting up production bases in both northern and southern Vietnam. In recent years, the company has expanded into many fields, from designing to manufacturing metal molds, and constantly striving under the motto of "quality-first automobile parts factory", together with more than 900 employees from North to South Vietnam.
